

On Jan. 10, WVDEP ordered Freedom to remove all material from all above ground storage tanks (ASTs). By Jan 20, Freedom reported to WVDEP that it by then had removed 20% of the material. On Jan. 24, WVDEP ordered Freedom to finish the removal by March 15, and then begin to dispose of the ASTs, and take measures adequate to contain any spills from that disposal.

## **Ex. 5 - Attorney-Client and Deliberative**
